Big Builders

Castle Blocks

Your 36-Piece Castle Blocks Building Set includes the following blocks:

- 4 rectangular wall blocks
- 4 rectangular arch-cutout wall blocks
- 8 square wall blocks
- 4 rectangular tower blocks
- 8 rectangular wall turret blocks
- 4 rectangular tower turret blocks
- 4 pyramid tower top blocks

Instructions for assembling rectangular and square blocks

① Lay flat block unpainted side up.
Start at one end. Fold notched flap in first, then fold other flap over it.

② Push both* tabs down through the notches to lock the flaps together. Fold up both small edge flaps.
Repeat 1 and 2 for other end.

*Note: Wall Turret Block only has one tab.

③ Push both end sections upright.

④ Fold up side panel. Tuck flap into center, aligning slots to match with other sets of slot markers.
Note: Fold solid side of wall block with jack in first for best results.

⑤ Repeat 4 for remaining panel.

⑥ Finished rectangular block.

[illegible] tower top blocks

① With unpainted surface inside, fold small end flap inward, and wrap the triangular panels to form a cone-like shape.

② Fold long side flaps into center.

③ Tuck end flap into center slot.

④ Repeat 3 for remaining flap.

⑤ Finished pyramid block.
